STROLL STOP APPLICATION

The Covington Business Association is bringing the beach to Downtown Covington for the seventh annual Kokomo Stroll! This fun, festive event exists to draw people into Covington and promote awareness of local businesses. The stroll will take place on Saturday, July 12 from 6 - 9:00 PM (Rain or Shine). Participating CBA businesses will provide and serve 1,000 3-oz. samples of a craft beer or a summer-themed cocktail of their choice (all alcohol to be provided by CBA, per ATC regulation).

Each participating business must serve its beverage under a 10x10 tent OUTSIDE - either in the street or on the sidewalk. Per ATC regulation, no participating business may serve alcohol on their private property. **Columbia Street will be closed to traffic, so businesses that do not have a storefront in the downtown area can participate by setting up a tent there.** The event will include live music at various locations around Downtown Covington and beach-themed activities.

Current, paid CBA members can host a stroll stop for FREE.

I hereby apply as a stroll stop for the Kokomo Stroll.
